Affordable Housing data

This dataset shows the number of affordable houses built in Calderdale. We have published data from the financial year 2007/08 to 2015/16and each year's data is available in a separate excel or csv format.

This data shows;

- The location where the new units are
- Who they were built by
- Where the funding came from
- The completion date
- And how many were built

An explanation of some of the acronyms and terms used in the data is below;

- **ADP** – Approved Development Programme
- **RSL** – Registered Social Landlord
- **AH** – Affordable Home
- **NAHP/AHP** – National/Affordable Homes Programme
- **RTA** – Right to acquire
- **MR** – Mortgage Rescue
- **S106** – Section 106
- **LCHO** – Low cost home ownership
- **RCGF** – Recycled capital grant funding
