Click on a number to view charts and maps about that number.

4 Ward and LSOA overviews

These dashboards show the latest published results for Calderdale or one or more wards or LSOAs.

Use the Ward / LSOA filter to view the latest published results for the areas you have selected:

- Click the area you want to select.
- The box next to the area name will turn black when you have selected it
- The dashboard will update in line with the filter.
- To select another area press the “Ctl” key (usually in the bottom left corner of your keyboard) and then click on the area name. The box next to the area name will turn black when you have selected it.

Click on a number to view charts and maps showing results by ward and LSOA.

You can remove filters by clicking on the “eraser” symbol. The eraser symbol will appear when you move the mouse over the filter.

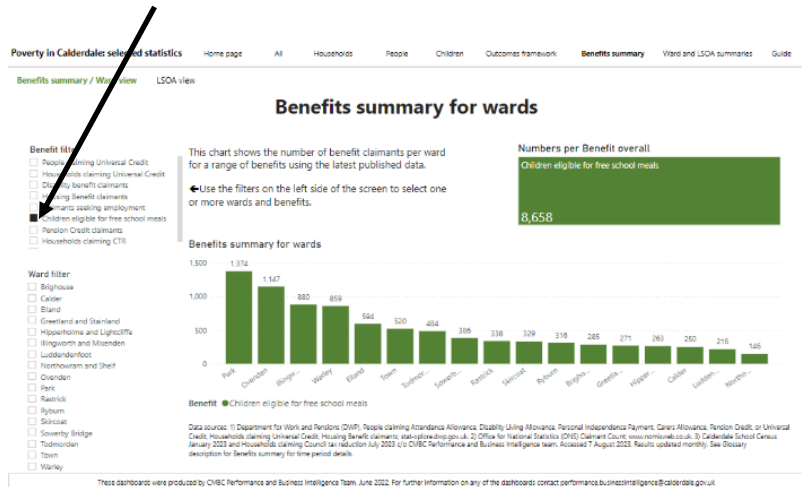

5 Outcomes Framework Dashboard

The Calderdale Anti-Poverty Steering group has an Outcomes framework made up of eleven outcomes. This dashboard provides links to visualisation of data for each of these outcomes. Click on one of the outcome buttons to view the latest published data.

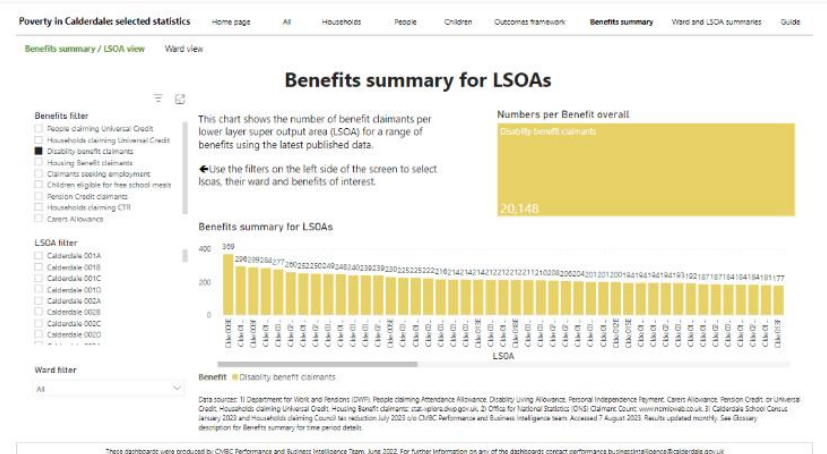

6 Benefits summaries by ward and LSOA

These dashboards provide overviews of latest published benefit take up by ward and LSOA.

Use the “Benefit filter” to find results a selection of benefits.

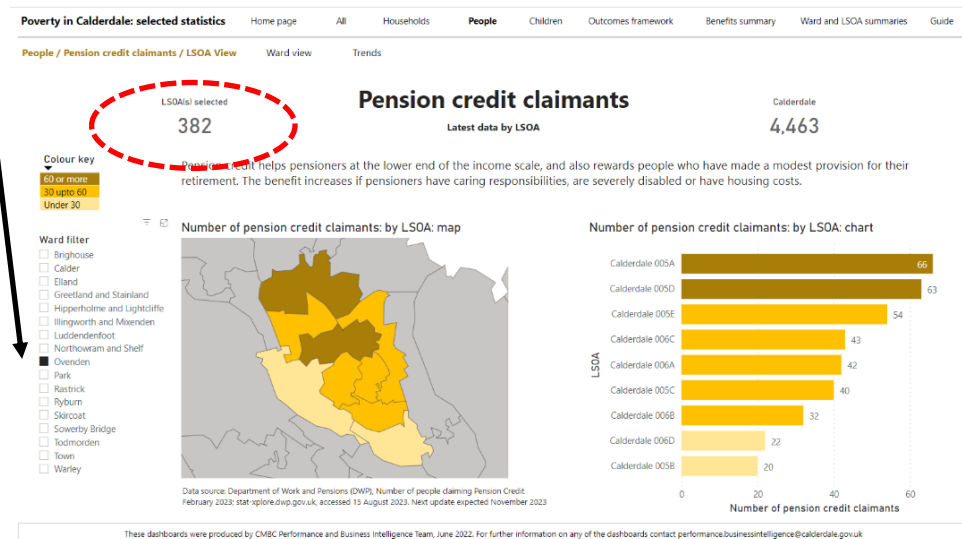

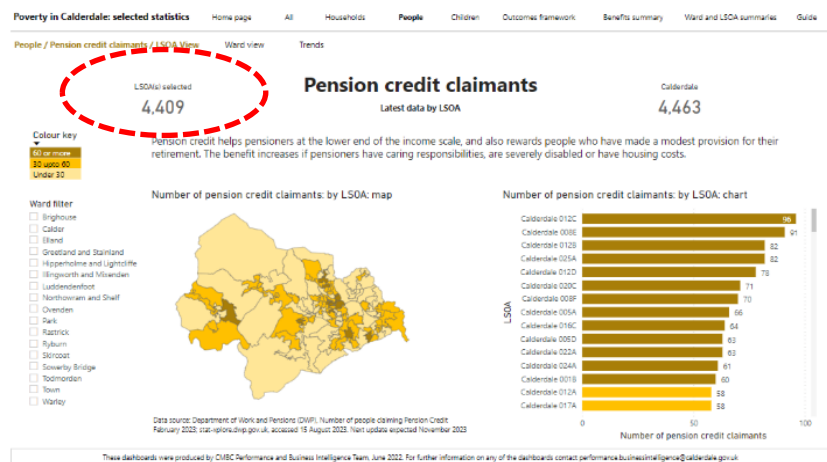

Use the “Ward filter” in the LSOA dashboard to select LSOA results for one or more wards.

7 Ward and LSOA maps and charts

There are seventeen statistics which have results by ward and/or LSOA. For each one you can view results by map, chart and/or table by LSOA / ward.

Use the filters to customise the map and chart to show results for the area(s) you are interested in.
