

# Indices of Deprivation 2019: Crime Domain

Crime is an important feature of deprivation that has major effects on individuals and communities. The Index of Crime Deprivation measures the risk of personal and material victimisation at local level. The table summarises the number of neighbourhoods called LSOAs in Calderdale that are within 30% most deprived in England for this domain. There are 32,844 LSOAs in England, and 128 in Calderdale.

| Ward                        | Number of LSOAs         |                                |                                | Total      |
|-----------------------------|-------------------------|--------------------------------|--------------------------------|------------|
|                             | 10%<br>Most<br>Deprived | >10% - 20%<br>Most<br>Deprived | >20% - 30%<br>Most<br>Deprived |            |
| Brighouse                   |                         | 2                              | 2                              | 7          |
| Calder                      |                         |                                | 1                              | 8          |
